<http://www.napavineschools.org>

Administration

Principal	Jason Prather	jprather@napavineschools.org
Athletic Director / Dean of Students	Josh Fay	jfay@napavineschools.org
Secretary / Registrar	Connie Barton	cbarton@napavineschools.org
Attendance / ASB / Athletics	Amanda Dalebout	adalebout@napavineschools.org
Counselor	Lynne Simmons	lsimmons@napavineschools.org

Office Hours: 8:00-4:00

Students are responsible to know and understand the school's requirements, regulations, policies and rules. This handbook is provided as the primary means to that understanding.

NAPAVINE MIDDLE SCHOOL

Student Handbook Acknowledgement 2020-2021

Students are expected to be familiar with school rules and procedures. Student Handbooks are designed to assist with this process, though they may not contain information for every situation. Student Handbooks will be reviewed during the first week of school and referenced as needed. Handbooks are available online at napavineschools.org and by request from the office. Students and families are encouraged to ask questions if they are unsure of rules and procedures. Lack of awareness does not dismiss responsibility. **Please acknowledge awareness of school rules and procedures by returning this document with appropriate signatures.**

Printed Student Name

Student Signature

Date Signed

Parent/Guardian Signature

Upon signing this form, the student is expected to return it to their first period teacher.

YOU CAN'T HIDE YOUR TIGER PRIDE!

WELCOME

Welcome to Napavine Middle School! You are very fortunate to be able to attend an excellent school. We believe our shared commitment to high standards in academics, behavior, and athletics drive our success. We expect that you will do your very best to continue the tradition of excellence at NMS.

The information found in the Student Handbook has been carefully prepared to assist you in achieving excellence. You will find that the rules and regulations that govern our lives at NMS make it possible for all of us to work together. As a student at NMS, you are expected to know and follow our rules and procedures. You should become familiar with the contents of your Student Handbook and refer to it as needed. If you have any questions about the information in this handbook, see your teachers, guidance counselor, administrator, or any other staff member in the building; they will be happy to assist you.

You control two important things related to your success at NMS, your attitude and your effort. Your future is being molded by the decisions you make and the habits you form here. I encourage you to take advantage of every opportunity to pursue educational excellence and be active in as many programs as possible. Be proud of your school, become a part of it, and take good care of it. We wish you much success at NMS and look forward to a positive, rewarding and productive school year.

*Jason Prather
Principal*

NONDISCRIMINATION

Napavine School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. Shane Schutz, Superintendent, has been designated to handle questions and complaints of alleged discrimination.

Superintendent Shane Schutz
Civil Rights Coordinator
Title IX Officer
Section 504 Coordinator
PO Box 840, Napavine, WA 98565

Email: sschutz@napavineschools.org.

INTRODUCTION

This handbook is a general outline of the rights and responsibilities of students and lists many of the procedures followed by the school. However, it is not all-inclusive. Federal and state laws, State Board of Education directives, school district policy, and administrative decisions all have greater authority than the material listed herein. While they should all be in conformity to the Student Handbook, the ASB Constitution, student government decisions, classroom rules and procedures, and activity and organization regulations also impact what a student may or may not do. If you question why something is done or why a certain policy is followed and you can't find the answer in this handbook, please check with the principal.

In accordance with the Family Education Rights and Privacy Act of 1974, Napavine Middle School hereby gives notice to all parents, legal guardians, students 18 years of age and older, and married students attending this school that the following information is being categorized as directory information: the student's name, address, and telephone number; date and place of birth; participation in officially recognized activities and sports; weight and height of athletic teams; dates of attendance; degrees and awards received; and the most recent previous educational agency or institution attended by the student. . Students' photos will be released in news releases and newsletters.

Directory information will be published and released without prior written consent unless parents, legal guardians, students 18 years of age or older, or married students notify the school that the above-mentioned directory information should not be released without prior written consent. Such notification should be in writing and addressed to the building principal.

Parents and eligible students have the right to review a student's records by providing a written request to the principal. They may request an amendment to the records by writing a letter to the principal clarifying the addition and/or why the original is in error.

Student records will be forwarded without consent to another school district or institution in which a student seeks or intends to enroll.

Parents and eligible students who believe they have been aggrieved have the right to file a complaint with the Family Policy Compliance Office in the US Department of Education.

ACADEMICS

BIRTH CERTIFICATES / IMMUNIZATION

In compliance with the "Missing Persons Act," NMS requires that a birth certificate or other reliable proof of a student's identity be provided at the time of first enrollment.

State law provides that students have a current immunization form on file in the office. Health department regulations require exclusion from school for those who lack documentation of immunization.

COURSE REQUIREMENTS

Seventh and eighth grade students are required to take Language Arts, Math (2 consecutive courses from Pre-Algebra course 2 & 3 and Algebra 1), PE/Health, Science, and Social Studies (7th grade: 1st semester World Geography; 2nd semester Washington State History, meets high school graduation requirement; 8th grade: U.S. History). In addition 7th grade students may choose to take band or alternate semesters of Ag Shop and Robotics, while 8th grade students may select band or alternate semesters of Digital Communications and STEM.

COUNSELING

Students are urged to make use of the counselor for help in solving personal or academic problems. Students may request an appointment with the counselor by signing the appointment signup sheet located in the office; the counselor will then send a request to the teacher so that the student may be excused from class. Students will not be allowed to leave a classroom to see the counselor without a request being made by the counselor and permission being granted by the teacher.

CREDIT FROM OTHER INSTITUTIONS

Napavine Middle School allows credits earned at other accredited institutions to satisfy NMS requirements if the student is a transferee or if enrollment in those institutions and courses was pre-approved by the principal. When possible, NMS will attempt to enroll students in classes identical to those from which the student is transferring, and students who transfer during a grading period will receive full credit for the class in which they are enrolled provided that they meet all credit and attendance requirements for the full semester. Credit may not be given for a class if so noted at the time of enrollment by the principal. Evaluation and placement is initially determined by the counselor and approved by the principal.

FEES / SPECIAL REQUIREMENTS

Students may be charged for extraordinary wear and tear, damage, and/or loss of books, equipment and materials as well as for lab classes in which students create items for personal use. Fees may be charged for materials and supplies that are voluntarily

selected by students and will become their personal property. Students enrolled in PE classes must provide their own clothing and shoes. Locks used on lockers must be school-issued locks and may be rented for a nominal fee (currently \$5) and kept for the duration of the student's stay at Napavine. The fee will be returned upon graduation or withdrawal from Napavine Schools. Students enrolled in band must provide their own instruments.

FOOD SERVICE

Students utilizing school food services are expected to pay in advance of receiving food. Students are not permitted to “charge” against their accounts. In addition, due to federal guidelines for the free and reduced lunch program, students eating school breakfasts and lunches are not permitted to give portions to other students.

HIGHLY CAPABLE PROGRAM

The Napavine School District Highly Capable Program is designed to meet the academic needs of our students in grades K-12 who fall generally in the top 2 percentiles for cognitive aptitude, the top 10 percent academically, and who demonstrate exceptional ingenuity. Our purpose is to provide appropriate educational programs and services through instructional and curriculum modifications to create educational opportunities for Highly Capable students, which will maximize their individual potential. The middle school program provides acceleration, mentorships, and other individual and group options. The district Highly Capable Program development plan contains more information and is available in the high school or district office or on the school website.

HONOR ROLLS

Students with high academic achievement will be honored at grade reporting time in the following manner: those earning a GPA of 3.00 to 3.24 will be honored as Honorable Mentions, those earning from 3.25 to 3.50 will be honored on the Principal's List, and those earning 3.51 to 4.00 will be honored on the Superintendent's List.

Students must be enrolled in no less than six classes to be on the Honor Roll.

REPORT CARDS

Report cards are issued approximately every nine weeks. Only grades earned after a full semester's study (two nine week periods) will be used to determine accumulative grade point averages. A “P” or “F” is given in activity classes on a pass or fail basis. Credit is earned but no grade point is established. Report cards are held in the office for those students owing fines or fees until such fines or fees are paid.

ACTIVITIES

An extra-curricular activity is any event or activity sponsored by a group officially affiliated with Napavine Middle School, whether that event takes place on or off school premises and in or out of normal school hours. A partial list of extra-curricular activities includes all sports, student government, and all clubs. Following is a list of requirements for participation in extra-curricular activities:

ASB CARD & Activity Permits

Any student participating in an extra-curricular activity must purchase an ASB (student body) card. These are available in the office and provide reduced rates when attending out-of-town activities and free or reduced rates for attendance at NMS activities. There will be a fee to replace a lost or damaged ASB card.

All activities, meetings, games, dances, fund-raising events, etc., must be pre-approved by the advisor, coach, sponsor, etc., and the principal before being placed on the master calendar or being announced to the student body or community. The sponsoring activity must post a \$50 per day custodial care bond prior to the activity. If the building grounds are left clean, the bond will be returned to the sponsoring activity.

ATTENDANCE

Any student participating in an extra-curricular activity, including a school-sponsored party, dance, or other event, must have been in attendance at least **four periods** on the day of the activity in order to participate in the activity that night. Any student participating in an extra-curricular activity who receives a truancy may not participate in any event sponsored or engaged in by that activity for five school days. Students who are experiencing attendance problems, including tardiness, may forfeit their opportunity to participate in extra-curricular activities.

BEHAVIOR

Extra-curricular activities are a privilege for students who maintain high academic and behavior standards at NMS. In addition to losing participation privileges due to poor grades as outlined in the academic eligibility section, students may be held out of activities for behavior reasons as well.

Any student participating in an extra-curricular activity must not use or have in his/her possession or be in association with others who possess/use tobacco, vape devices, alcohol, or illegal drugs. This rule is in effect 24 hours a day, 7 days a week for the duration of the season of participation. The first violation of the extra-curricular substance policy results in removal for the remainder of the activity season and forfeiture of all awards, letters, etc. The second violation results in removal from activities for 1 calendar year, while a third violation results in removal from activities for the remainder of the student's career.

If violations occur during the school activity or on school property, the student will be suspended from school as outlined in the discipline grid. Failure to immediately report knowledge of athletic code violations during a school activity may be considered association/complicity and result in athletic and school disciplinary measures as outlined above. Additional behavior restrictions may be found in a particular activity's Participation Agreement. Any student suspended from school for disciplinary reasons, including truancy, will not be allowed to participate in or attend extra-curricular activities sponsored by NMS during the period of suspension.

DANCES

Dances sponsored by any organization of Napavine Middle School are considered school affairs and usual standards of behavior and dress will be enforced. Individuals who are not currently students at NMS will not be permitted to attend. Middle school students may not attend a high school dance and high school students may not attend a middle school dance. The activity sponsoring the dance must make arrangements for adequate chaperones, including three adults, one of whom must be the activity sponsor. Attendance at dances is a privilege reserved for students who upheld NMS standards for behavior and students may be withheld from attendance due to their behavior record.

ELIGIBILITY

NMS concurs with the WIAA's established standard of determining scholastic eligibility. A student shall not be permitted to participate in practice or competition until the eligibility requirements have been satisfied. The Athletic Director and Principal shall be responsible for ascertaining the eligibility of all participants. The head coach is responsible for frequently reminding athletes of eligibility and conduct requirements.

■ WIAA Requirement

Any student participating in a competitive extra-curricular activity must have passed **five** classes the preceding semester to be eligible for participation the following semester. Students must maintain passing grades in five classes at all time during their participation. Participants who are failing two or more classes at an eligibility check during the semester are ineligible until they meet WIAA and district standards. Participants who fail two classes at the semester are suspended for a 3 week period. Participants who fail more than two classes in a semester are ineligible for participation. No appeal exists to this requirement except through WIAA.

■ NMS has developed the following eligibility process in an effort to help extra-curricular activity participants be more successful in the classroom. Each step in the table is a 2 week interval.

STEP 1	STEP 2	STEP 3
Failing any class at check = 2 week probation. (full eligibility)	Passing all classes = back to step 1	Failing any class = Dismissed from team. Will not receive any letters or awards.
	Failing any class = Ineligible (practice only, no games)	

Step 1: Students who have a failing course grade on any Eligibility Check will be placed on probation and given two weeks to improve their situation. While on probation, they will be allowed to practice and compete. If the problem is eliminated by the next eligibility check, the student returns to eligible status. However, if the student is failing any course on the second eligibility check, even a course they were previously passing, the student will move to

Step 2 and will be allowed to practice but not compete. The student will have two additional weeks to correct the problem. If the problem is corrected by the next Eligibility Check, the student returns to probationary status. If the student is failing any course on the third eligibility check, even a course they were previously passing, the student is dismissed from the team.

Note: Any student who is failing two or more classes at a grade check following a period of eligibility becomes ineligible by WIAA rule. The period of ineligibility shall last until the next grade check (2 weeks), at which time the student will become eligible if they are passing all classes, move into step 2 if they are failing 1 class, or continue to be ineligible at step 2 under WIAA rule until a third check.

EXPENDITURES

All funds generated by groups, organizations and activities affiliated with NMS must be deposited in the student body account. Purchases made with funds from this account may only be made after an expenditure request has been signed by the advisor and the principal and a purchase order authorizing a purchase has been provided.

ORGANIZATIONS

All organizations and clubs affiliated with Napavine Middle School must have an adult advisor, must request and receive recognition from student council and the principal, and must submit all funds to the ASB Treasurer. After recognition, each organization shall be entitled to representation in the House of Representatives.

PARTICIPATION, INSURANCE & MEDICAL WAIVER,

Participation in extra-curricular activities is a privilege, not a right, and each participant in a competitive extra-curricular activity shall sign a Participation Agreement outlining other, specific requirements adopted by individual coaches or sponsors for their respective sports, activities, or organizations. Failure to adhere to the participation agreement and/or concerns regarding academic progress, attendance, or behavior may result in loss of participation privileges. Students may only participate in one athletic activity per activity season. To participate in competition, all school related fines and fees must be paid, including turning all issued items in from the prior sport.

When required, participants in extra-curricular activities must be covered by adequate insurance. The school does not carry insurance for students, but individual, optional insurance from private sources is available for purchase in the office.

Participants in extra-curricular activities must have an emergency medical treatment permission form on file before participating in any activity.

TRANSPORTATION

Students are required to use school provided transportation to and from all school sponsored activities. Students going on a bus to an activity must return by the same means unless a parent requests in person that other arrangements be made. The principal and the activity advisor, coach, etc., must pre-approve the request. Students may not ride to and from away activities with another student. Students whose school transportation privileges are suspended will not be allowed to participate in activities using school transportation.

ATTENDANCE

Students who are making the most out of their academic possibilities at Napavine High School have regular and punctual attendance. Likewise, students who have regular and punctual attendance have learned the valuable lesson of self-discipline that characterizes success.

To assist students to develop good attendance habits and to reinforce how important good attendance is, all teachers at Napavine Middle School have adopted a policy that automatically denies credit if a student misses more than nine days in a semester. Students who are denied credit due to attendance will have the ability to appeal for credit reinstatement through the principal and a non-partial committee consisting of community members and staff.

To petition for credit reinstatement students must return a completed petition form by the deadline. Students with more than 12 absences in any class must also make up time to have credit reinstated. Students owe 30 minutes for each class period they miss over 12 days. Make up time must be completed within 10 school week days of the last day of the semester. More information will be provided to those students needing to petition at the time of need.

Absences that are doctor excused or school activity related will not be counted toward cumulative absences for petitions. Students must complete missed work and any absences may impact student achievement. Whenever possible and for family vacations during school time to be marked as excused, students are encouraged to complete a pre-arranged absence form.

ABSENCES

In order to make certain that parents are aware of a student's absence, we request that the parent call the school office when an absence occurs. An attendance clerk or an answering machine is available 24 hours a day at 262-3301, extension 302. The

school may attempt to contact the parent if no call is received, but if no verbal communication occurs between the parent and the school, a note must be sent when the student returns to school explaining the absence. In order for an absence to be excused, state law requires it relate to one of the following:

Excused Absences

- Illness, health condition, or medical appointment (includes medical, counseling, dental, optometry).
- Family emergency, including but not limited to a death or illness in the family.
- Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction.
- Court, judicial proceeding, or serving on a jury.
- Post-secondary, technical school or apprenticeship program visitation, or scholarship interview.
- State-recognized search and rescue activities consistent with RCW 28A.225.055.
- Absence directly related to the student's homeless status.
- Absence related to deployment activities of a parent or legal guardian who is an active duty member consistent with RCW 28A.705.010
- Absence resulting from a disciplinary/corrective action (e.g., suspension or expulsion).
- Principal (or designee) and parent, guardian, or emancipated youth mutually agreed upon approved activity provided that such excused absences shall not be permitted if deemed to cause a serious adverse effect upon the student educational progress consistent with RCW 28A.225.010. Must have prior notice/permission to be excused.

Unexcused Absences

- absences resulting from signed notes or parent/guardian phone calls which do not constitute an excused absence as defined above or failure to submit any type of excuse statement.

Truancy

- being absent from a class without the school knowing the student's whereabouts or the parent providing an acceptable excuse within a reasonable period of time, whether the absence is for a few minutes or a few days. "Skip" days are not permitted. If such an event occurs, all involved will be considered truant and missed time will be required to be made up in a place, time and manner as determined by the principal.

If a truancy occurs, a note will be sent home to parents outlining the consequences of truancy which are also found in the discipline grid. Additionally, the student will receive zero credit for all work missed during the truancy.

RCW 28A.225.030 Petition to juvenile court for violations by a parent or child – School district responsibilities.

(1) If a child is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's absences from public school, not later than the 7th unexcused absence by a child within any month during the current school year or not later than the 10th unexcused absence during the current school year the school district shall file a petition with the juvenile court alleging a violation of RCW 28A.225.010: (a) By the parent; (b) by the child; or (c) by the parent and the child. (2) The district shall not later than the 5th unexcused absence in a month: (c) file a petition under subsection 1 of this section.—

MAKE-UP and INCOMPLETE

When a student knows in advance that an absence will occur, every effort should be made to obtain and complete assignments in each class in advance. Make-up work will be due upon return.

When an absence is due to illness or emergency, make-up for missed work will be allowed in accordance with the policy established and posted by each teacher. Students are responsible for requesting any missed classroom work. If requested by the parent or student, the office will send for homework for a student who is absent 2 or more consecutive days. Please allow 24 hours for all the correct homework requests to be filled by the teaching staff.

An incomplete on a report card will automatically be changed to an "F" after two weeks.

TARDINESS

Prompt attendance is a life skill emphasized for all students and tardiness is disruptive to the educational process. It is the student's responsibility to arrive on time. A tardy is defined as arrival to a class after the bell has rung or as the teacher expectations are defined in classroom rules. After half the class period, the tardy will count as an absence. Tardiness may only be excused by an official note from the office or a staff member and is unexcused unless related to state approved reasons for absence. Oversleeping, missing the bus or ride, waiting for trains, alarm clock failure, and parent note not related to state approved absence, among others, are not valid reasons for excused tardiness.

Teachers will be responsible for recording tardiness and trying to change student behavior. Teachers may assign detention time for tardiness.. Excessive tardiness is defined as 5 or more tardies to a class in one semester and will result in referral to the office for disciplinary action outlined in discipline grid level 1.

BEHAVIOR

Two student behavior rules are absolute at Napavine Middle School: no student has the right to interfere with other students' right to learn or the teachers' right to teach, and disrespect and/or abuse of other others will not be tolerated. A full description of behavior standards is described in each course syllabus and/or posted in each classroom. This handbook only briefly describes most common and/or most important infractions.

AFTER SCHOOL ACTIVITIES

Students who remain after school must be in a supervised activity, such as seeking assistance from a teacher, participating in club meetings, or participating in athletics. While it is understood that students may need to wait for transportation or activities at times, students are expected to behave responsibly and failure to do so could result in disciplinary action.

BUS RULES

Drivers are in charge of buses and students and may assign seats and control behavior. Students must be at their pick-up points on time, must board and exit in an orderly manner, and may ride buses only as long as their conduct is acceptable. An administrative designee may sign requests to board or leave the bus at any place other than normal stops and requests to ride other buses. Students must remain in full view of the driver and must remain seated while the bus is moving. They may walk in front of the bus only after being given approval of the driver.

Students may not throw things from buses, smoke or light matches, or hold any body part out of the window. They may not talk to the driver except as necessary, sit in the driver's seat, or touch emergency equipment. They may not bring animals, guns, glass or breakable material, heavy, bulky, or sharp items which could be a hazard in an emergency. They may not use profane language or gestures on the bus. Students must get permission to open the windows and must talk only quietly. School transportation privileges may be suspended for failure to follow rules.

CELL PHONES AND ELECTRONIC DEVICES

Cell phones and other electronic devices are NOT necessary to have at school, though students are permitted to bring them at their own risk. Such devices shall not be a disruption to the learning process. Therefore, such devices are only permitted to be used before school, during lunch, during passing periods (**not advised**) and after school in the public areas. They are not to be used during times students have a hall pass or during assemblies. Teacher discretion may be utilized to allow electronic devices in the classroom, but such privileges do not extend to the hallway during the same class period.

Cell Phone violations are a level 1 offense and may result in confiscation of the phone by any staff member. Students who fail to surrender such a device when directed to by a staff member will be considered insubordinate and reported to the principal for further discipline. The school is not responsible for confiscated items. Repeat offenders may lose cell phone use privileges. See Disciplinary Action for consequences.

Recording devices (for sound and/or pictures) are not necessary to have at school. They may, however, be used with advance approval from the teacher or principal. Any recording by any means in restrooms or locker rooms will result in immediate suspension from school and possible referral to law enforcement. Other non-approved pictures or recordings may be subject to disciplinary consequences.

CLASSROOM CONDUCT

Each teacher will create and post a classroom discipline policy that is consistent with district policy and outlines expectations for that particular class. Students are expected to cooperate with and comply with the directions of staff members. Any concerns a student may have regarding teacher expectations should be addressed to the principal. Most behavior problems are minor and will be handled by the classroom teacher. Usually, the first step the teacher will use to solve a minor problem is to talk to the student. If the behavior persists, the parent and/or counselor may be asked to intervene. If the problem still persists, the student may be sent to the principal, who may use a wide range of disciplinary tactics, including informal talks, after school detentions, parental conferences, assignment to other classes, in-house suspension, or suspension. The principal may even request expulsion from Napavine schools. Major problems will be dealt with immediately by sending the student to the principal.

CLOSED CAMPUS

For the safety of all, NMS has a closed campus. Students are expected to remain on campus once they arrive until school is dismissed. Students must have an appointment, emergency, or illness, be released by a parent, and check out through the office to leave campus during the school day. Lunch time is no different. Students should not expect to “run home”, go to the store, or otherwise leave campus. Failure to follow procedures for leaving campus will result in student being marked with a truancy or unexcused absence and possible disciplinary consequences as outlined in the discipline grid. Likewise, all visitors, including parents, must check in at the office upon arrival. Certain areas of the campus are closed at all times.

DETENTION

Napavine Middle School may employ detention to help students learn more appropriate behaviors. Students assigned to detention may be required to give up a portion of their free time (before school, during lunch, after school) at the discretion of the principal to spend time in a supervised disciplinary study hall in which no talking, eating or drinking is allowed or in a work detail. Tardiness to detention may result in additional detention time being levied and failure to serve detention, unless pre-excused by the principal, may be considered the same as a truancy.

If a student fails to learn more appropriate behaviors after spending some time in detention, the principal has the authority to levy more severe punishment, including out-of-school suspension.

DISCIPLINARY ACTIONS

Students are under the jurisdiction of all school personnel whenever they are on school property or are involved with school activities, including bus transportation to and from school. Throughout the educational process and at all levels of the discipline process, it is important that school officials make an attempt to keep parents/guardians informed and involved. School and home must work together to help students become responsible young people who know and understand the difference between right and wrong.

The following definitions describe, in order of severity, possible disciplinary actions school officials may take. In each case, due process shall be followed. For a more complete description of the relationship between actions and possible consequences, see the chart at the end of this section.

Informal Talk: a school official will talk to the student and outline alternative behavior and possible consequences of continued misbehavior.

Conference: a formal meeting will be held between the student and one or more school officials. Conferences may be recorded in student files. Parents will be informed as deemed appropriate and may be required to attend the conference.

Detention: a temporary requirement that the student forfeit free time as a consequence. Recorded in student file and parents will be informed. Detention may be assigned by teachers or the Principal. Detentions time may be assigned at lunch and/or after school, and may include work service. Detention time takes precedence over extra-curricular activities.

Office Referral: a disciplinary action taken by a teacher to remove a student from the classroom for at least the remainder of the period and not longer than the balance of the school day. Students will not be readmitted to class until the principal and teacher have conferred. Recorded in student file and parent notified. Additional punishment (detention, in-house detention, or suspension) will probably result.

In-School Suspension: the student will be temporarily reassigned to a separate but supervised environment away from the activities with which he/she would ordinarily be associated. May be for a short or an extended time. Recorded in student file; parents notified.

Suspension, Short: student excluded from school and all school activities for up to ten consecutive school days. Recorded in file; parents notified and may be required to attend re-admission conference.

Suspension, Long: exclusion from school and all school activities for more than 10 school days and must not exceed the length of an academic term. Recorded in file; parents notified given opportunity for informal review by suspending authority. Parents and student required to attend re-admission conference.

Expulsion: denial of admission to current school placement for up to 90 days, may be extended. Principal may expel on an emergency basis as provided by law. Recorded in file; parents notified.

Long term suspensions and expulsions

Expulsions and long term suspensions must be for a definite period and must not exceed the length of an academic term. Building administrators may petition the superintendent to exceed the academic term limitation when warranted based on public health or safety. Emergency expulsions will be converted into a different form of discipline within 10 school days of removal. The student and family will be provided notice and afforded due process rights for the conversion action.

Reasonable efforts will be made to assist the student and his or her parents in returning to the educational setting by the end of the expulsion. A reentry conference with the student/parents will occur within 20 days of a long term suspension or expulsion and no later than five days before the student reenrolls to discuss a reengagement plan tailored to the student's

individual circumstances. The plan will consider the incident that led to the discipline and aid the student in taking the necessary steps to remedy that situation.

DISCIPLINE GRID

The five level grid is a means of documenting progressive discipline and providing students, staff, and parents/guardians with a record of disciplinary actions. Disciplinary consequences will follow the grid scale at the appropriate level of the infraction. Level 1 infractions will result in progressive Level 1 consequences, Level 2 infractions will result in progressive Level 2 consequences, etc. Once the student has reached the maximum consequence at that level of the grid, all additional infractions will be dealt with at the maximum consequence. If an offense seriously endangers or threatens students, staff or others or creates serious disruption to the orderly function of the school, a recommendation for long-term suspension and/or expulsion may be made regardless of the accumulative points of a student.

Level I - are minor infractions that affect daily educational processes. Level 1 infractions alone cannot be grounds for suspension. Individual teachers will determine the rules and guidelines for conduct in their own classroom. These rules will be explained to students during their first week. The teacher will also explain the consequence if the rules are violated. Teachers may assign their own after school or lunch detentions in accordance with their classroom rules.

LEVEL I Offenses	# of Occurrence / Consequence (Detention time may be assigned at lunch and/or after school and may include work service.)		
	Step 1	Step 2	Step 3
1. Excessive Tardiness (by semester) 5 th = step 1, 6 th = step 2, etc. 2. Disruption of educational process; inappropriate behavior, dress, language, materials 3. Electronic Device Violation – students will receive one warning as they retrieve device at end of day. At step 2, device will only be released to parent / guardian.	1 hour detention	2 hours detention	3 hours detention.

Detention time takes precedence over extra-curricular activities.

Level II - are deemed more serious in nature resulting in increasing disruption to the educational processes.

LEVEL II Offenses	# of Occurrence / Consequence		
	Step 1	Step 2	Step 3
1. Cheating, may also result in loss of credit 2. Lying to staff member 3. Truancy, skipping class, leaving school w/o permission or check out 4. Damage to school property / grounds, restitution may be required 5. Disrespect of staff / environment 6. Disruption of an assembly or event 7. Failure to serve detention 8. Inappropriate use of technology 9. Peer conflict, encouraging conflict, failure to intervene or report 10. Unsafe conduct	3 hours detention	5 hours detention	1-3 Days ISS / OSS

Level I and Level 2 seek to create a situation where the student, especially one with a chronic behavior problem, can be isolated from the rest of the students, counseled, and given an opportunity to consider his/her behavior and how he/she can change that behavior with minimal missed class time.

Level III - are those offenses that are more aggressive or threatening in nature and cause concern for the safety of self, students, and staff. After a hearing with the principal, the consequence may be suspension as outlined below. When the

student finishes an out-of-school suspension of three days or longer, his/her parents/guardians will be asked to bring the student back to school for a conference with the administrator and other school personnel as deemed necessary. The goal of this meeting is to provide the student and his/her parents/guardians with an opportunity to jointly develop a course of action to improve the student's behavior and educational experiences in Napavine High School. A third infraction at Level 3 will result in long-term suspension and may result in a long term suspension and/or alternate educational program.

LEVEL III Offenses	# of Occurrence / Consequence		
	1	2	3
<ol style="list-style-type: none"> 1. Contributing to or failure to report major misconduct 2. Endangerment 3. Fighting 4. Gross disrespect of staff, flagrant, vulgar, deliberate misbehavior, insubordination 5. Harassment / Intimidation / Bullying 6. Possession / Use of tobacco, vape devices & products 7. Theft / Vandalism 	1-3 Days ISS / OSS	3-5 Days ISS / OSS	5-10 Days ISS / OSS May Result in Long Term OSS Alternate Education Program

Level IV - are those offenses that are malicious and defiant in nature where there is an immediate concern for the safety or welfare of self, students, staff and property. Level 4 offenses may result in out-of-school suspension and long term suspension for second offense.

When the student finishes his/her out-of-school suspension, his/her parents/guardians may be asked to bring the student back to school for a conference with the administrator and teacher in charge of the disciplinary action. The goal of this meeting is to provide the student and his/her parents/guardians with an explanation of the seriousness of the offense and an understanding that a second Level IV offense will result in long term suspension and may result in a recommendation for expulsion to the school board.

LEVEL IV Offenses	# of Occurrence / Consequence	
	1	2
<ol style="list-style-type: none"> 1. False alarm / tampering with safety systems 2. Felony theft / vandalism 3. Gang activity 4. Indecent exposure 5. Possession or use of alcohol, drug paraphernalia or drugs during school or activities 6. Threats to safety, physical, verbal, written 	5 – 10 Days OSS	Long Term OSS Possible Expulsion Alt. Ed. Program

Level V - are extreme and unacceptable offenses resulting in immediate suspension until an expulsion hearing before the school board.

LEVEL V Offenses	# of Occurrence / Consequence
	1
<ol style="list-style-type: none"> 1. Physical assault 2. Possession or use of firearms, dangerous weapons, explosives 3. Possession or use of illicit or illegal drugs 	Long Term OSS Expulsion Alt. Ed. Program

Regulations of Dangerous Weapons on School Premises Policy

It is a violation of district policy and state law (RCW: 941.250) for any student to carry firearms or dangerous weapons (including but not limited to guns, knives, nunchuks, or metal knuckles) on school premises, school provided transportation, or areas of other facilities being used exclusively for school activities. A violation will result in:

- 1) Notification of the student's parents or guardians
- 2) Notification to appropriate law enforcement agency
- 3) Disciplinary action including a one (1) year expulsion for a violation involving a firearm. The Superintendent may modify the one-year expulsion on an individual basis.

If an offense is deemed serious enough by the administration, a recommendation for long-term suspension and/or expulsion may be made regardless of the accumulative points of a student if the offense(s) seriously endangers or threatens students, staff or others or creates serious disruption to the orderly function of the school.

Students are under the jurisdiction of all school personnel whenever they are on school property or are involved with school activities, including transportation to and from school. Throughout the educational process and at all levels of the discipline process, it is important that school officials make an attempt to keep parents/guardians informed and involved. School and home must work together to help students become responsible young people who know and understand the difference between right and wrong.

DRESS and APPEARANCE

NMS does not have a dress or behavior code *per se*. Instead, the school uses the "common sense and common decency" approach. Teachers, and ultimately the principal, determine which dress and behaviors are appropriate for an educational setting. Dress and behaviors that interfere with the educational process or hurt or offend others will not be allowed.

Students must be modestly covered from the shoulders to the mid thighs. Revealing clothing, including clothing which exposes the midriff, chest, or open back area, pants, tube or spaghetti strap tops or other clothes that expose or do not fully cover undergarments, and skirts, dresses or shorts which do not cover the mid-thigh area are not allowed.

Inappropriate dress may also include but is not limited to: pajamas, clothing (headwear, jewelry, and accessories of any kind included) which disrupts the education process and/or promote tobacco, alcohol, drug use, or promote or imply profanity, obscenities, violence, or violent acts, weapons, sexual suggestion, or gang involvement. Students who are inappropriately dressed will be given the opportunity to change into other clothes. Repeated concerns will be directed to the principal, with discipline being assigned.

DUE PROCESS

Students are entitled to due process, which means that no action will be taken against them until everyone involved has presented all the facts. All actions taken by school officials are capable of being appealed to the next higher school authority, and students, parents and/or guardians have the right to an informal conference with the principal for the purpose of reviewing any grievance. A more detailed description of student rights, due process, and appeal procedures is available from school administrators but the general provisions are as follows.

The Board of Directors, the Superintendent, the Principal, or the administrative designee may suspend a student. Unless an emergency exists involving health or safety, the student shall receive prior notice of suspension, specification of charges, and an opportunity to present his/her view of the alleged misconduct. In all cases, the suspending administrator shall inform the parents by letter or, when possible, by phone. Decisions to suspend may be appealed to the next higher school authority. In special cases, suspensions may be extended pending the occurrence of some specific action (e.g., physical or psychological examination, Board action, etc.).

In addition to an emergency expulsion by the principal, the Superintendent through the Board of Directors may expel a student. The student will be suspended pending a hearing and/or action by the Board, which shall determine the length of the expulsion. When a recommendation for expulsion is made, the student and parent/legal guardian will be informed by telephone and/or certified mail and a fuller explanation of the student's rights provided.

GUIDELINES FOR IN-SCHOOL SUSPENSION

1. The student is responsible for obtaining and bringing all necessary work/materials prior to reporting each day.
2. The student will be strictly and closely supervised.
3. The student is to have no speaking privileges with fellow students or ECDs not directly related to assignments.
4. Students placed on in-school suspension will not be counted absent from their regularly scheduled classes. They will be awarded credit for the assigned work they accomplish just as they would if they attended their regular classes. Should their class work involve discussion, debate, or other group work that can be done only in the classroom, it is expected that the teacher will find alternative ways of awarding credit for work missed.
5. Failure to follow rules/guidelines in ISS may result in additional and/or more severe disciplinary consequences.

HALL PASSES

Except for passing periods and the lunch break, students must have a time-dated hall pass signed by a teacher to be in the halls. Otherwise the student will be considered truant and be subject to discipline.

HARASSMENT, INTIMIDATION, and BULLYING

It is in violation of board policy 3207 for a student to harass, intimidate, or bully others. Information regarding this policy is available at the district or high school office. Harassment, intimidation and bullying can be defined as any intentional written, verbal, or physical act that harms a student or damages property, substantially interferes with their education, is severe, persistent, or pervasive enough to threaten the educational environment or has the potential to disrupt the operation of the school. Students participating in such activities are subject to discipline, up to and including suspension from school.

ILLEGAL SUBSTANCES

Possession of or use by students of alcohol, tobacco, or illegal drugs will not be tolerated. Violators will face suspension or expulsion. Law enforcement will be notified as necessary. Students who knowingly associate with those in possession or use of illegal substances or who fail to report illegal substances on school grounds or at school activities may be considered complicit and subject to disciplinary measures outlined in the discipline grid.

PARKING LOT

The parking lot is not an appropriate place for socializing and is a restricted area except for students who are arriving or leaving the campus. Students must obtain permission to be in the parking lot or access their cars during school hours. Violations may result in disciplinary consequences.

POLICE INVOLVEMENT

School officials have the option to inform law enforcement agencies regarding disciplinary problems and may press charges. If police are notified, parents will be informed. Any action taken by legal authorities will be in addition to that taken by the school. School officials, guided by district procedures and state and federal laws, will cooperate with law enforcement authorities during investigations.

PUBLIC DISPLAY of AFFECTION

Displays of affection may make others feel uncomfortable and be an unwanted distraction to teaching/learning. Napavine Middle School does not condone nor tolerate displays of affection—even holding hands. Disciplinary consequences may be applied to assist in changing behavior.

RIGHTS

Freedom of Speech and Assembly: Students shall have the right to orally express their opinions, but such expressions shall not interfere with the rights of others and slander, obscenities, or personal attacks are prohibited. Although students have the right to peaceably assemble, all students meeting in school buildings or on school grounds may function only as part of the formal educational process or as authorized by the principal. Conducting demonstrations or activities which interfere with the operation of the school or classroom is prohibited.

Freedom to Publish: Students are entitled to express their opinions in writing, although the creation and distribution of such expression shall not interfere with the educational process nor infringe upon the rights of others. Students who edit, publish, or distribute within the school any handwritten, printed, or duplicated materials which have not been authorized or produced by school supervision must assume responsibility for the content of such publications. School authorized publications shall conform to decisions of the United States Supreme Court regarding such publications.

Right to Privacy: While the school will protect the student's right to privacy, it must also protect the health and safety of all students and promote efficient operation of the school. A student shall be free from searches by school officials of clothing or property unless there is reason to believe that the student may be concealing something that presents an imminent danger to the student or others. School officials may request that a student remove all items from clothing or property, and if the student does not comply, the school shall refrain from searching but contact the parent or, in case of possible criminal activity, the police. Search of a student's person or possessions shall be limited to a situation wherein it is believed the student is concealing evidence of an illegal act or a school violation. When practical, the student shall be present when a search of possessions (including automobiles) is conducted. Items confiscated during such a search will be held by school officials pending further investigation or disciplinary action. Contraband or illegal items will not be returned to the student or any representative of the student. Lockers are school property and may be inspected by school officials at any time.

SEXUAL HARASSMENT

It is the policy of the Napavine Public Schools to maintain learning and working environment that is free from sexual harassment. Students and staff are protected against sexual harassment by anyone in any school program or activity, including on the school campus, on the school bus, or off campus during a school sponsored activity.

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, promotion, a place on a sports team, or any educational decision, or
- The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational environment.

You can report sexual harassment to any school staff member or to the district's Title IX Officer, Superintendent Geoff Parks. You also have the right to file a complaint. For a copy of Napavine School District's sexual harassment policy and procedure, contact either school office or the district office.

MISCELLANEOUS

COMPUTER USAGE

Students must have a signed computer usage agreement on file to access computers. Students are provided network accounts. Such accounts come with a temporary password, which students may request to have changed through the office. Such passwords are kept on file through the technology department. Misuse of computers can result in loss of computer privileges for an extended period of time and disciplinary action as outlined in the discipline grid.

LOCKERS

Since unlocked lockers provide no security for valuables, students should keep lockers secured at all times. Only locks provided by the school may be used on lockers. Lockers are school property and are subject to inspection or search at any time.

LOST AND FOUND

Items found in the school will be turned in to the office and students should report missing items there. Items left in the lost and found will be donated to local clothing banks regularly throughout the year.

LUNCH AND FOOD IN THE SCHOOL

Students may bring a lunch from home and milk may be purchased through the lunch line or purchase lunch from our food service provider. Students who eat school lunch are expected to pay for their lunches, or qualify for free and reduced lunches. (Forms for such are available through the office.) Students may not "charge" for their lunch. Should they have a negative balance, the student will be notified. Failure to bring in an appropriate lunch fair will result in suspension of lunch purchasing privileges. In addition, student who eat school lunches are not permitted to share such lunches with other students due to federal guidelines for school lunch programs.

Students are required to stay in appropriate areas during lunch time and are expected to clean up after themselves. Lunches may be eaten in the cafeteria or outside areas when weather permits and provided students respect all rules and keep the campus free of trash. The library is generally open during lunch, though no food or drink is allowed in the library without prior permission. Students are also permitted to be outside between the portables and high school or in the field behind the cafeteria out to first tree line. Within the building, the senior hallway, high school gym, and office hallway are off limits during lunch. Outside, students are not allowed to hang out in front of the school by the flag pole and annex, in the grassy area between the annex and high school building, or under the portable covered area.

PRAYER

NMS has no policy that denies participation in constitutionally protected private prayer in schools. Students should see the principal for information.

VISITORS

Visitors are generally disruptive to the educational process and are therefore generally not approved. Under certain circumstances, a visitor may be allowed with prior permission from the principal or principal designee.

Visitors must first report to the office to obtain a pass.

PUBLICATION OF STUDENT PICTURES

Throughout the school year, we like to take pictures of our students participating in various school activities. Often, we publish these pictures as a means of sharing with the community what goes on in our schools. Such publications include, but are not restricted to, the Napavine School District Newsletter and Webpage, the yearbook, *The Chronicle*, *The Town Crier*, and other publications. If you do not wish to have photos of your child published by the school district, please contact the school office at 360-262-3301.

RECOGNITION PROGRAMS

NMS rewards students for exhibiting appropriate, desired behaviors in several ways. This section outlines the rewards students who are attempting to make the most of their education may enjoy.

READING INCENTIVE

NMS encourages students to read and recognizes those who do so. Recognition will occur quarterly at the recognition assembly and award winners will be granted special privileges—including early release opportunities for lunch.

In addition, NMS recognizes Students of the Month nominated by staff. The student's picture when possible and a description of their outstanding achievement or behavior is posted in the school and good news letters are sent home to parents. NMS also reports student achievements to the *Chronicle* newspaper.

TELEPHONES

The school telephones are for official or emergency use only.

NONDISCRIMINATION

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by the USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing, or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

mail: U.S. Department of Agriculture
