

**Napavine Jr. / Sr. High School**  
**School Improvement Plan 2019-20**

Vision Statement

Learning is the mutual responsibility of the student, staff and parents.

Vision goals:

Provide a positive school environment that enhances the learning experience for students.

Create and model a school climate that develops acceptable social interaction and behavior.

Provide an equal education opportunity for all.

Incorporate technology into the educational environment to assist in meeting educational goals.

Goal 1: Increase students' positive attitudes toward and engagement in school & learning.

- Student of the Month posted in classrooms; sent home to families; doughnuts for student winners
- PRIDE Sundaes semester recognition; identify & recognize achievement / growth.
- Recognition assemblies quarterly by ASB team
- Honor Roll published, posted in school, on reader board
- Increased attendance rates & participation in extra-curricular activities; decreased discipline;
- Recognize activities/club achievements in daily announcements, bulletin, community newsletter;
- Incorporate Kagan Cooperative Learning Strategies; continued professional development (Trauma Sensitive Learning);
- Behavioral Health Counseling services on site, coordinated medical services;

Goal 2: Increase students' College & Career Readiness skills in Reading and Writing.

- Increase high yield strategies for reading information text and citing text based evidence across curricula.
- Increase cross-curricular application of reading and writing projects/skills
- Implementation of College in High School and CTE ELA courses
- Increase SBA and SAT scores
- Reduce the number of students receiving Ds/Fs

Goal 3: Increase the number of successful math students at NHS.

- Improve student attitudes toward math
- Increase the number of students taking 4 years of math in high school
- Increase the number of students taking Pre-Calculus
- begin a Calculus program with College credit.
- Increase SBA and SAT scores
- Increase cross-curricular application of math
- Reduce the number of students receiving Ds/Fs
